Subject: road

I am a life long Juneau resident and feel the Lynn Canal road would be great, I am tired of not being able to drive to the northern part of the state, I myself know that I would use this road frequently, I just do not understand the people in this town that think this is a bad idea to build the road, do you know how expensive it is to put a fifth wheel trailer (for camping) on the ferry, or how they only seem to leave at 2:00am.

Thank you.
